## General Notes

We would ask that your Son/Daughter travel to and from the Camp in uniform.

Black bin bags are not suitable for bedding rolls as they tear very easily, with the result that the contents get lost or soiled in transit.

Clothes can get very dirty, leave the catwalk items at home. Young people should be encouraged to pack their own bag so they know what they have got with them.

Personal kit is the responsibility of the individual, please do not bring items of value such as electronic toys (eg DS). No radios, music players or electronic devices (eg ipads) should be brought to camp.

## Equipment Notes

Here is some basic information regarding some of the items you may require.

**Sleeping Bags** Synthetic filled bags are easier to clean than natural fillings.

**Footwear** Boots give a better ankle support and normally have better soles than shoes if you are hiking.

**Warm Wear** A number of layers are warmer than one thick one and the warmth can be regulated more easily - do not forget your hands and head.

**Torch** Do not pack your torch with batteries fitted (or at the bottom of your kit) as it could easily get accidentally turned on and you will arrive at the camp with flat batteries.
