New Member Declarations

Transport and Car Insurance

The Group occasionally uses local school minibuses which conform to legislation that requires such transport to have forward facing seats for children and be fitted with seatbelts. We also call on parents to provide lifts. Parents are requested to check with their insurance companies that they are covered for such occasional use and are asked to sign below to state that they have done so. Please note that booster seats need to be provided by parents for any young person under 12 years of age or 135cm in height to conform to current regulations. **Please indicate your situation below by deleting as appropriate *:**

* I have checked with my Insurance Company and confirm that my insurance cover includes taking my own and other young people to and from Scouting Activities

* I am not covered for such car use.

Signed:	Print name:
Young Person's name:	Date:

Photographs

During Scouting activities photographs are occasionally taken of young people by Leaders, helpers and parents. These photographs may be submitted to the media to promote Scouting, may be used for displays or used in some other way for Scouting purposes. Please indicate your preference below.

I agree that my child may be photographed / I would prefer that my child is not photographed
(please delete as appropriate)

Data

To allow for the smooth running of the Group and to ensure that we have emergency contact information etc available in an easily retrievable way, we keep minimal data of each Young Person in the Group on a computerised system. This information is only available to Section Leaders and Executive Committee Members on a need to know basis. Unnamed data is also used to provide statistical information to Scout Association Headquarters to ensure that Scouting is inclusive. Please indicate below your willingness for this information to be stored in this way.

I agree that my child's personal details may be kept on a computerised system.
